

HOMEOWNER AUTHORIZATION

I certify that I am the legal owner of _____.

I understand that _____ contacted AC Wireless to request residential wireless Internet service.

I authorize an AC Wireless representative to perform an on-site site survey. Pending successful site survey results, I further authorize the installation of an antenna/dish system (and associated accessories). This may include, but not limited to, small building modifications, drilling of small holes for cable(s), the use of fasteners (such as staples, screws, and nails) installation of wiring, cable conduits and small accessories (such as brackets, hangers, etc.) used in support of the equipment.

I also agree that the antenna\dish system and associated installation accessories are the property of the person purchasing this equipment. In addition, AC Wireless is in no way obligated or responsible for the removal, repair or maintenance of this antenna/dish system and associated installation accessories.
